
Canadian Centre for Policy Alternatives

This second edition contains a list of research resources, sorted by topic, that are relatively recent (published in the last 12 years), are primarily focused upon Nova Scotia, and contribute to the production of socially and environmentally just policies in Nova Scotia.

Melinda Krueger and Jim Sacouman of Acadia University compiled this second edition. All Research Associates of CCPA-NS were asked to offer amendments.

This bibliography is an ongoing project. Please send any errors of inclusion and/or omission, or any other suggestions, to:
